GPW Series

CURVASCAPE GPW - Completing the family the GPW series offers a landscape rear facia with portrait style trims. Available with the same multi finish options as other models in the range.

Features
High Efficiency - Low Surface Temperatures - Simple Safe Controls

High Efficency - Radiant Heat delivers heat directly into the room for quick warm up and improved gas consumption.

Low surface temperature - All Widney gas fires are fitted with air flow ducts to ensure that warm air is directed into the room and away from any surrounding woodwork.

Simple variable heat adjustment and universally recognised safety control system.
